OUR VALUES

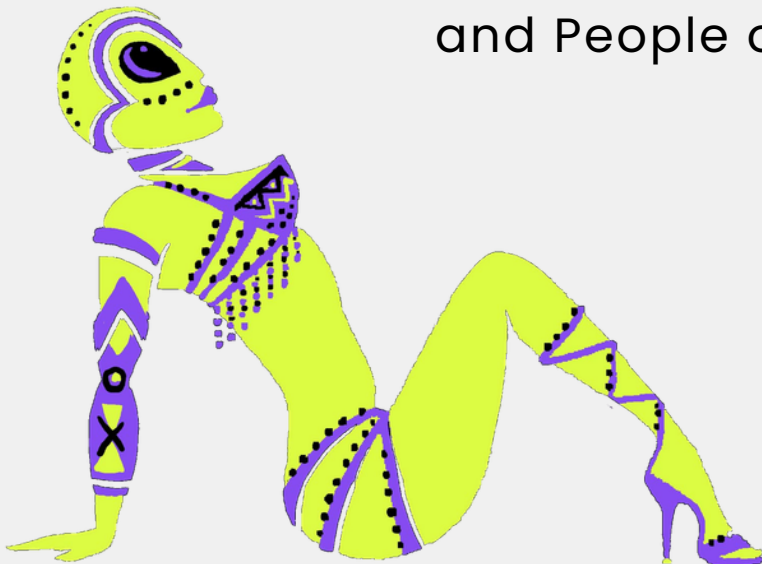

The New Mexico Burlesque Festival exists to celebrate the artistry and diversity in burlesque.

We are dedicated to community-building and education, and deepening the connections we have to past, present, and future burlesque artists and supporters.

We prioritize making space for performers from a diversity of backgrounds: cultures, genders, races, abilities, and ages.

We are proud to support the Burlesque Hall of Fame and the burlesque legends who rhinestoned this path for us all.

With gratitude, we acknowledge, honor, and hold solemn the Indigenous roots and People of this beautiful region.
